

# October is Breast Cancer Awareness Month

In honor of triumphant women and their families who bravely fight breast cancer every day, Innovative Women's HealthCare Solutions is offering you a free breast cancer exam during October when you present this ad.

## Facts You Should Know:

- 1 in 7 women will be affected by breast cancer
- Breast cancer is the second leading cause of death among women
- 85% of women diagnosed with breast cancer have no family history

## Early detection is your best weapon.

Dr Melinda Miller- Thrasher emphasizes a three-prong approach to early detection:

1. Do Your Breast Self-Exam
2. Have A Breast Exam By Your Doctor
3. Get A Mammogram

Schedule your free breast exam with a health professional at Innovative Women's HealthCare Solutions during October when you present this ad.
